DUCTED AIR CONDITIONING

Control your new Keibuild Home with MyPlace, yours **free** when you purchase ducted air conditioning! MyPlace uses technology to make home even sweeter. It's engineered to deliver real functionality that makes everyday life easier.

Here are some of the useful ways it can make you more comfortable safe and more secure.

#### FEEL SECURE

Tap MyWelcome on the MyPlace app to turn on your lights before you get home.

#### MAKE THE OUTDOORS EVEN GREATER

With the MyPlace app, you can use your phone to turn on the mozzie light, ceiling fan or outdoor lighting!

#### COME HOME TO COMFORT

Use MyPlace to turn on your air-conditioning before you get home, ensuring you always arrive home to your preferred temperature.

#### HOLIDAY INSURANCE

With MyPlace, your home always looks occupied. By controlling the lights and blinds, you can make it look like you're home no matter where you are.

#### ALWAYS LOCK UP

When you're in a rush, it's easy to forget to close the garage door. If it's open, MyPlace will send you a notification. You can then use the MyPlace app to close it.

#### MyAIR AIR CONDITIONING

The MyAir system has 10 zones and the power to adjust the airflow to every room. Control the system where ever you are, using your smartphone as a remote control.
